

# Welcome

## TxDOT Atlanta District Annual Bicycle Meeting

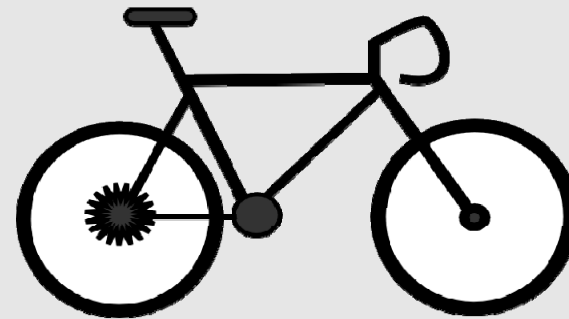

June 29, 2021

## Purpose of the Bike Meeting

- The purpose of this public meeting is to provide information on transportation projects that might affect bicycle use, plans, policies, and programs for the TxDOT Atlanta District and to receive public comments on those projects.

TxDOT, the MPO, and local partners are working collaboratively on a common goal to connect the multimodal network within the region.

## PEDESTRIAN TIPS:

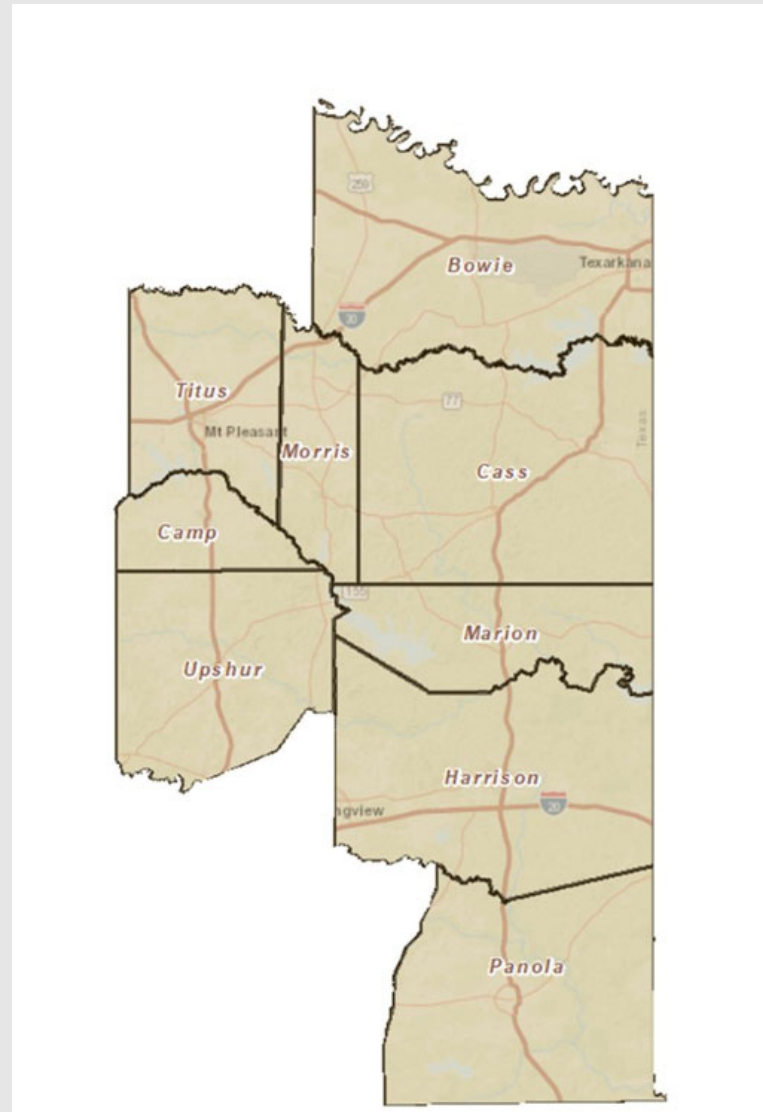

-  **Always cross the street at an intersection.**
-  **Obey the “walk/don’t walk” pedestrian signals.** Don’t enter the crosswalk once the hand begins flashing.
-  **Use the “push to walk” button, where available.** It adds pedestrian crossing time to the traffic signal.
-  **Always stay alert.** Don’t be a distracted walker.
-  **Never assume vehicles (cars, buses, bikes) see you.** Look both ways before you cross the street!

***Safety Never Stops!***

### Proposed Project Objective

- This project seeks to improve mobility and safety along this section of the US 82 corridor.

### Proposed Project Improvements

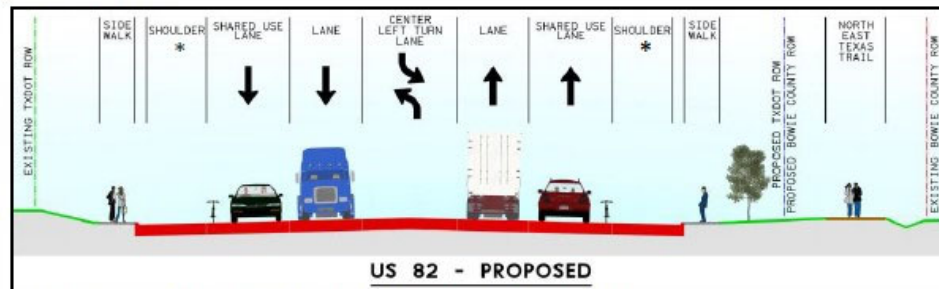

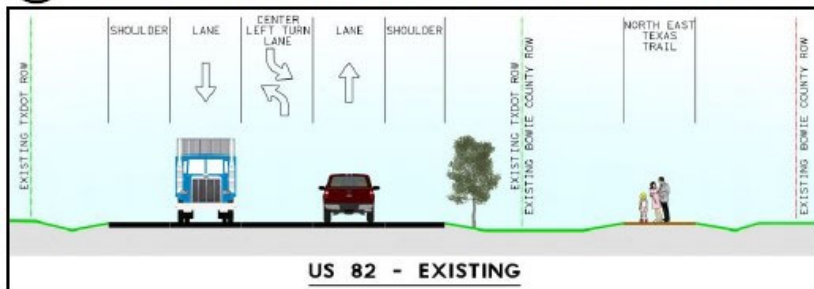

- ① **US 82 De Kalb Section** includes widening, reconstruction, and realignment. The proposed roadway section will consist of one 12-foot travel lane in each direction, one 14-foot shared use lane in each direction to accommodate bicycles, a continuous center left turn lane, and sidewalks for pedestrians. A drainage design featuring a new storm drain system with inlets will also be installed.
- ② **US 82 Middle Section** includes widening only. The proposed roadway section will consist of two 12-foot travel lanes in each direction, a shoulder in each direction, and a continuous center left turn lane. The drainage in this section will be accommodated by open ditches.
- ③ **US 82 at I-30 Section** includes widening, reconstruction, and realignment. The proposed roadway section will consist of two 12-foot travel lanes in each direction, a shoulder in each direction, and a continuous center left turn lane. The drainage in this section will be accommodated by open ditches.
